The screenshot shows the BRAC MCPs Home interface. At the top, there's a header with the BRAC logo, a search bar, and a user profile dropdown for Halima Khatun/PO. Below the header are navigation tabs: Reports, Dashboards, MCPs (selected), and Learners. On the left sidebar, there's a 'Create New...' button with a dropdown arrow and a 'Recent Items' section. The main content area has a breadcrumb trail 'MCPs Home'. Below this, there's a 'View:' section with a dropdown menu set to 'Selected MCP: STAR-2021' and a 'Go!' button. To the right of the 'Go!' button are links for 'Clone | Create New View'. A red arrow points from the 'Create New...' button to the 'Create New View' link. Another red arrow points from the 'Clone | Create New View' link to the 'Create New MCP' button located above the 'Recent MCPs' table. The 'Recent MCPs' table lists various students with columns for Name, Trade Code, MCP Score, Branch, MCP ID, and Created By. A third red arrow points from the 'Create New MCP' button to the first row of the table.
